Experience

FIELD OPERATOR | 06/2019 to 04/2020

Essential Energy Services - Red Deer, AB

- Operated quintplex pumping equipment safely and efficiently on team of 3 employees.
- Tended equipment during operation and monitored readouts to determine areas of concern and quickly correct problems.
- Improved operations by working with team members and customers to find workable solutions.

FIELD ENGINEER | 07/2017 to 03/2019

Sanjel Energy Services - Red Deer, AB

- Identified root cause and delivered recommendations that would alleviate future issues and failures.
- Communicated and collaborated with operations management teams and staff members to standardize processes and ensure smooth workflow.
- Helped in the design and operation of Sanjels Slow Rate Pumping System. Wrote the manual for the system for future use.
- Uncovered issues that could arise as result of project and provided effective solutions.

FRANCHISE MANAGER | 04/2013 to 06/2015

University First Class Painters - Calgary, AB

- Recruited, hired and trained new employees, including monitoring and review of individual performance.
- Remained calm and professional in stressful circumstances and when dealing with unhappy customers, effectively diffusing situations.
- Extended existing customer relationships through extensive communication and tried-and-true marketing strategies.
